Dream Big
Aim High
Think Smart

Institute for
11\textsuperscript{th}, 12\textsuperscript{th} (Sci)
IIT - JEE (Mains & Advanced)
MHT - CET, AIPMT
Dear Friends,

After achieving the success in 10th standard there comes the challenge of 12th standard and entrance examinations for various professional courses. These 2 years of 11th and 12th std plays very vital role in our life as they decide our further ways. And here comes “SAPTARSHI” to our help. For excelling in boards and entrance basic concepts of every subject should be clear. Saptarshi helped me in strengthening the basic pillars of each subject in 11th std which helped me in 12th std. I gave importance on understanding the article rather than muguping it. I made timetable so that each subject gets equal weightage. It’s important to give equal significance to board and entrance as they are the two sides of same coin. We should have our objects clear and should strive hard to achieve them. Saptarshi taught me a very good lesson. “In order to succeed, your desire of success should be greater than your fear for failure.” I am very thankful to the whole Saptarshi family who brought me to this position. My parents and friends also have great share in my success.

Thank You Saptarshi!

Dream Big, Aim High, Think Smart.

Director's Message...

Dear Students,

It's privilege to be born in India which is ready to be the Super Power. We at Saptarshi Pariwar strongly believe in Dr. APJ Abdul Kalam’s thought “Small aim is crime”. India of 21st century provides many opportunities as well as enough challenges to “Ignited minds” like you. It’s time to rise up to the occasion and make the real difference.

11th and 12th is critical phase not only in academic but also in overall development of a person. For last 12 years, Saptarshi is producing merit students who are best in studies and dynamic enough to be successful in globalised world. With more than 500 engineering and medical admission in last 7 years, Saptarshi has become a trusted guidance center for medical and engineering aspirants.

If board examinations are all about representing our knowledge in precise manner, Entrance examinations are about managing and applying that knowledge in limited time resource! Both these examinations are technique driven, and techniques can be mastered with proper planning and dedication. If you dare to Dream Big and Aim for High goals, then Saptarshi is here to make you Think Smart!
Fusion Batch is unique concept pioneered by Saptarshi in 2005. Fusion Batches are for those aspirants who dream about the express careers in professional courses like Medicine, Engineering & Biotechnology after 12th.

Fusion Batch is 23 Month Program. In fusion Batches two years of 11th and 12th are planned such that along with board exam preparation there is complete and systematic preparation of IIT-JEE (Mains & Advanced) for engineering aspirants and AIPMT / MHT-CET for medical aspirants.

Systematic Exam preparation is all about four steps

- Basic Knowledge & Concept Building
- Applications to problem solving
- Practice
- Feedback mechanism.

In Fusion Batches, highly qualified and experienced faculty team ensures the subject matter is grasped by students in conceptual way. Interactive Class Work sessions - Home work exercise make them think and apply what they learn, Topic wise test gives timely feedback to students teachers and parents.

Outstanding success ratio of fusion batches is result of this systematic approach, dedicated faculty team, and Continuous efforts from our students. Around 1000 students have benefited from fusion batches in last 7 years.

Batch Timings

According to various college timings, we have four batches for std 11th and 12th.

Morning Batch : 7:00 am to 9:30 am
Afternoon Batch : 3:00 pm to 5:30 pm
Evening Batches : 1) 5:30 pm to 8:00 pm
                      2) 6:30 pm to 9:00 pm

- In holidays before college starts batches will be in the morning & evening
- In summer vacation batches will be for 6 hours a day.

Dear Friends,

Success in engineering entrance is all about focused efforts. These two years of Fusion Batch ensures you to remain focused right from the beginning.

The whole members of Saptarshi are really very hardworking and striving hard to brighten the future of their students.

Saptarshi proved to be ‘Ladder of My Destiny.’ After being Saptarshian; I have changed my views towards life. It’s only Dreaming Big, Aiming High and Thinking Smart that I do.

Entrance exam success is about hard work. Saptarshi made us believe that every efforts you put in gets counted! Apart from my COEP admission, I think Saptarshi is responsible for my all-round development!

Saptarshi is where I learned the art of teamwork. All the students and teachers in fusion batches were like family supporting each other at every junction.

We Saptarshians
For Engineering Aspirants

Colleges other than IITs
• Admissions for Engineering colleges except IIT's will be based on combined performance in 12th Board exams and JEE (Mains).

For IIT aspirants
• Admissions in IITs will be based on performance in JEE (Advance).
  Qualification criteria for JEE advance,
  a) Student should be in top 150000 merit students in JEE mains and
  b) Student should be in top 20% of merit students of his/ her respective 12th board exam.
• For IIT admissions, JEE (Mains) is only qualifying exam for JEE (Advance), JEE (Mains) score will not be considered for actual admissions in IITs.

For Medical Aspirants
• 15 % ALL India quota admissions in all medical colleges in India will be done through a national level exam AIPMT.
• 85 % admissions in state funded Medical colleges will be done through state level exam MHT-CET.
• Admissions to Medical colleges of Deemed Universities such as D.Y. Patil, Bharati Vidyapith will be done through their own CETs.
• Admissions to AFMC will be done though separate entrance exams
• Admissions to AIIMS will be based on separate entrance exam.

In today’s competitive world, only good academics is not enough to solve the equation of success. Positive Attitude, Team Work, Decision Making, Confidence, Communication, Leadership are the key variables which separate the Best from the Rest. A person can indulge all these qualities only with Proper Exposure. Foundation Day is the unique concept which explores all the hidden talents of the students through different cultural activities like Anchoring, Script writing, Drama, Dance, Music, Backstage management and many more. Every year Saptarshi selects the best outgoing student considering academic as well as non-academic qualities and honors him/her with the prestigious award ‘Gem of Saptarshi’. There are many other awards in distinguished categories. These awards creates competitive and electrifying atmosphere amongst all the students right from 9th Std. Picnic, Teachers Day celebrations are the occasions which binds all the students and teacher together to form the family ‘Saptarshi Parivar’.

As a young citizen of India, armed with technology, Knowledge and love for my nation, I realize, small aim is a crime.

I will work and sweat for a great vision, the vision of transforming India into a developed nation, powered by economic strength with value system.

I am one of the citizens of the billion; Only the vision will ignite the billion souls, It has entered into me; The ignited soul compared to any resource is the most powerful resource on the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning to achieve the vision - Developed India If we work and sweat for the great vision with ignited minds, the transformation leading to the birth of vibrant developed India will happen.

I pray the Almighty : “May the divine peace with beauty enter into our people; Happiness and good health blossom in our bodies, minds and souls”

Dr. A. P. J. Abdul Kalam
